Venue Hire

Field Hire: Squitmore, Beards Oak or Handy Corner

Our fields are the perfect outdoor setting. Located at the top of the farm, these secluded areas give you the privacy and space to hold the perfect event without any interruptions. By having your celebration in one of our fields you can create a relaxed, informal atmosphere with bonfires, music and dancing underneath the stars. There is also enough room for you and your guests to set up camp in the field. The perfect excuse to party the night away.

The Jolly Waggoner Pub

If you're looking for a venue with character and history - the Jolly Waggoner Pub is the perfect place for you. This 17th century pub opposite the farm has a restaurant area (Rose Cottage), bar and garden with a capacity of up to 30 people for a formal sit down get together, and up to 80 if you're looking for something more informal.

The Events Room

The old sow barn - more commonly used as a conference and meeting room - can be decorated and transformed to suit your needs. This space also has the option for audio visual equipment if needed. The maximum capacity is 70 people. This room works really well for buffet breakfasts.

Farm Café

Whether you want an indoor or outdoor gathering, the Farm Café is the hub of the farm and can offer everything you need. The café, garden room and courtyard area can either be hired as a whole or individually and are great for dinners, birthday parties and smaller celebrations.

Exclusive use of the café, garden room, and outside area is available from 7pm onwards. The garden room may be hired during opening hours for up to 4 hours.

Rural Care

This private area within 80 yards of the farm's main facilities is perfect for smaller events such as christenings, social gatherings and children's birthday parties. You will have exclusive use of the two cabins as well as the outdoor area with benches. This venue in particular is great for events involving children as we have a selection of animals nearby. You are free to decorate the space as you wish.
