You can add produce to your order from the other boxes (i.e Regular Fruit, Veg, Butchery etc). However, for any orders for delivery prior to and post-Christmas week – please do not select items from the Christmas produce list.

### Shipping Method / Delivery Date

Please ensure you select the correct delivery or collection method – you will only be shown what is still available (i.e., if the slots are full, they won't show). If you make a mistake, we may be able to amend this for you.
